## Beer market

**#01-17 The Foundry at Clarke Quay  
(9661-8283)**

Modelled on the stock exchange, beer prices here fluctuate according to demand and are displayed on a big screen, à la Wall Street. A large range of global and local alcoholic and non-alcoholic beer available - just avoid Saturday nights if you're picky about music (it's an odd mix of live soft rock followed by loud dance anthems) Tip: The brands in red are the cheaper ones!
